#### **Co-Presidents' Message** by Martha Lund and Sheila Robbins

Happy 2026! The holidays are now behind us and we can get back to our normal lives. Hopefully that will include AAUW activities for most of you! As you will read in the Program VPs column, there has been a change in program for January. The new program will be on a topic near and dear to many of our hearts—domestic violence. The speaker will be from Boise's premier domestic violence center, the WCA. Please be sure to attend what I'm sure will be a fascinating luncheon.

As has been mentioned before, there will be an AAUW state pre-legislative info session on January 10, 2026, starting at 1:00 pm at the First Presbyterian Church on State Street next to Boise High School. You should have received a recent email from Mary Mosley. Please plan on attending—it should be very enlightening.

The board's task in the next couple of months will be to decide where to spend all the generous dollars we received at last year's Spring Fling. Of course, the scholarships are first and foremost, as well as STEM programs. If anyone has a cause they think fits well into AAUW's mission and thinks we should donate to, please let someone on the board know!

I want to mention again that our small groups are the backbone of this organization. They are the best way to get to know people and feel connected to the community. If anyone has an interest they think others would enjoy and wants to start up a new group, either let Sheila or me know, or write a short article for next month's newsletter and email it to Julie Custer. In just the last couple of years, we have successfully started the Mahjong group and Indian cooking group due to members stepping up.

Hope everyone had a wonderful holiday season and we look forward to seeing you soon!

### January Branch Meeting by Amy Taivalkoski and Laura Tirrell

Domestic violence and sexual abuse continue to be serious issues in the United States. What is the cycle of abuse, how do we recognize it, and which direction is it trending? Please join us for lunch on Wednesday, January 14<sup>th</sup>, when Bre Young, philanthropic director of the [Women's and Children's Alliance \(WCA\)](#), explains how the WCA is bridging gaps for survivors and helping create a community rooted in safety and healing.

**NOTE:** There has been a shuffling of the speakers and topics in 2026. The new lineup can be found on the newly refreshed [Activities](#) tab on the AAUW Boise Area Branch website.

### **Membership Update**

by Sue Bolen and Ardele Hanson

The best part about being part of a growing, dynamic group such as AAUW is sharing it with those women and men we encounter in our day-to-day lives. As we start a new year, we ask that you be thinking of those individuals in your life who might benefit from our community of advocates for women and girls. New members come from all walks of life—college students, recent graduates, working women and men, parents, and retirees. The common thread is the belief in the empowerment of women and girls through advocacy, education, and research. With work on important issues like education, equal pay, work-life balance, leadership, and improving laws for women and their families, AAUW is the perfect way to jump-start a purposeful life in this new year. Look around you. Think of your neighbors, co-workers, folks in your book club. If you know of someone who is interested in joining, a good place to start is to invite them to an upcoming luncheon, or perhaps a happy hour. Please encourage them to apply via the [Membership page](#) on the AAUW Boise website in order to receive the new member discount their first year. (The discount isn't automatically applied if a new member enrolls through the national website.) Let's make 2026 a year of even greater growth.

### **Do You Know Your Renewal Date?**

by Nancy Gray

Many of our members aren't sure. That's because almost half of our members now have annual renewal dates that fall on the anniversary of the month they joined (rounded up or down). Off months can be hard to remember.

Anniversary month renewal dates apply to anyone who joined AAUW July, 2022 or later. Anyone who renewed prior to this date has a June 30 renewal date.

If you cannot remember your renewal month, please feel free to contact Nancy Gray, Membership Administrator. She can assist you. There's no reason to worry, though, if you forget the date. You will receive several reminders. To make your renewal payment easier (now \$115 and includes local, state, and national AAUW, most of which is tax deductible, if you itemize), you can renew by credit card on the [branch website](#), [national's website](#), or by check. Our Finance Officers will also be on hand at the general meetings to take credit cards or checks. We hope you will consider renewing in 2026. AAUW needs you now more than ever!

### **STEM News**

by Deborah Newton

I am very happy to report that Gayle Carrier has joined me as co-coordinator of STEM. We are always looking for STEM events or groups to support and appreciate any input from AAUW membership.

In February, The Women's Innovator group is sponsoring a second STEM event. TechGirlz is for middle school (6th-8th grade) girls—where they'll get a chance to explore coding, engineering, technology, math, AI, construction (and more!). This event is free and provides a great opportunity to introduce more young girls to STEM activities and careers. If you would like more information about this, visit <https://www.women-innovators.org/>.

I am pleased to report that the AAUW bowlers recently came together to support [Corpus Commons](#) by participating in the [Great Gingerbread Build](#). Our completed project (see below) was auctioned off for \$250.00 and \$50.00 was donated by Westy's Garden Lanes.

**Day Trippers**  
by Marsha Bravo and Stacy Urban

Day Trippers is a member-led group whose members organize group outings to various venues in the Treasure Valley. In the past we have visited the Idaho Historical Museum, the Idaho Botanical Gardens, the Basque Museum, the old train depot and many other fun places. We often have lunch after the tour. As an example, in December 2025, fourteen members met at the [Boise Art Museum](#) (BAM) and enjoyed a docent-led tour.

Members are encouraged to organize events for the 2025-2026 program year! Contact Stacy Urban or Marsha Bravo with your plan!

We heard about this at our December meeting but, if you need a little more time with it, please come and all your questions will be answered! Even if you don't have questions, please come. Newcomers is for everyone - but especially Newcomers! It is a fun two hours of socializing and getting to know members in a smaller setting.

We have point people for these issues who will help Lobby Corps follow bills and keep members updated but they could use some other people to help follow bills. If you are interested in helping as a support person for any of the three issues, please contact either:

Mary Mosley: [mmosley@tranquility.net](mailto:mmosley@tranquility.net)

Linda Beebe: [velobb.linda@gmail.com](mailto:velobb.linda@gmail.com)

We will look at meeting in January (no date set yet) to talk about the best way to follow the legislative session.
